

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

TRACY HANKINS,  
Plaintiff,

v.

CALIX, INC.,  
Defendant.

Case No. 19-cv-07547-SVK

**ORDER GRANTING IN PART THE  
PARTIES' STIPULATION AND  
REQUEST TO CONTINUE DATES IN  
INITIAL CASE MANAGEMENT  
ORDER AND DEADLINE FOR  
COMPLETION OF MEDIATION**

Re: Dkt. No. 32

The Parties request an extension of the case schedule, citing new counsel coming on board on August 14, 2020. Dkt. 32. The Court finds there is good cause for a modest extension of certain deadlines. The Court cannot adopt the Parties' proposed schedule as it does not allow adequate time between the hearing of a summary judgment motion and pretrial filings. Accordingly, the prior mediation completion date of September 20, 2020 is vacated. Mediation shall be completed by **October 30, 2020**. The dates in the Initial Case Management Order are amended as follows:
